**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I LOVE my local internet provider. I don't think they'd have gotten to where they are if broadband competition had been stifled. My two former providers were behemoths, and provided terrible customer service just to prove my point. Thank goodness the little guy (SONIC) got their foot in the door. Please do not undermine the competition that makes capitalism work.
